

OGDEN CARPENTER CRUSHED UNDER CAR

POLICE QUIZ BOMB WARNING SENDER RATES TO CONFERENCE PROTESTED

POSTCARD TELLS OF ATTEMPT ON CUSTOMS HOUSE

Though Believed to Be Fake, Guard Is Thrown Around N. Y. Building

PRISONER FROM CANADA TALKS OF UNSEEN POWERS

Swarms of Reporters and "Movie" Men Laugh at His Queer Actions

NEW YORK, Sept. 20.—A postcard warning that an attempt would be made tomorrow to blow up the customs house after the Wall street explosion last Thursday, was received in the mail today by William B. Edwards, collector of internal revenue for this district.

This postcard, signed "a citizen," was turned over to the custodian of the building by Mr. Edwards, who also notified Postmaster Thomas G. Patterson. The department of justice, too, was informed of receipt of the postcard.

NOT TAKEN SERIOUSLY. The warning said that the customs house, already under heavy guard, was to be blown up at 2 p. m. Mr. Edwards said that a preliminary investigation had shown no evidence of a plot and he was inclined to regard the warning as a hoax.

A few minutes before the warning postcard had been received by "Bill" Edwards, who is a former Princeton football star, Edwin P. Fischer, ex-tennis player who sent warnings of the first explosion on the strength of an alleged telephonic "tip," had declared at police headquarters on his arrival here from Canada that "more will happen in the future."

"Unseen powers had communicated that to me," he said.

SUSPECT ACTS QUEERLY. Fischer, after laughing with a swarm of reporters and photographers while posing for news "movies," breakfasted at a lunch room after which he washed his face with a glass of water.

He stuffed into his pocket three cigars that he picked up from the Grand Central floor, chuckling as he did so and explaining that he did not smoke but "his friends did."

When posing for camera men he was asked to remove his hat.

"Have a heart," he cried. "Oh, talk my eye."

"In the hands of my friends here," he added, referring to the detectives. "That's all I know. I know what sort of statement you fellows expect me to make. I don't know much to say."

DEPENDS ON "UNSEEN POWERS." Fischer's peculiarity continued without let-up throughout the excitement of his arrival.

When detectives said they had to invoke the combined aid of the mayor, sheriff, crown attorney, chief of police, United States consul and the immigration authorities of both countries at Hamilton to grant him a pass, the former tennis star broke in:

"Yes, if it hadn't been for them I'd still be up in that damned place."

Fischer wore a gray suit and cap, both wrinkled by travel. He was clean shaven, but needed a haircut.

Fischer stuck to his statement that "it was a promotion" that warned him in advance of the Wall street explosion, adding:

"More will happen in the future. I seen powers have communicated that through me."

"TRUNK MURDER" SUSPECT FREED BY FINGER PRINTS

MONTEVIDEO, Sept. 17.—Morris Fox, the young man detained here on the supposition that he might be Eugene Leroy, the alleged perpetrator of the Detroit trunk murder, is not him in advance of the Wall street explosion, adding:

TWELVE EXTRA GUARDS WITH RIFLES PROTECT OIL KING ROCKEFELLER

TARRYTOWN, N. J., Sept. 20.—Twelve extra guards, armed with rifles, patrolled the roads adjoining the estate of John D. Rockefeller here during the night, it became known today.

No statement could be obtained at the Rockefeller home regarding village gossip that a threatening letter had been received by the oil magnate.

Two boys reported that they had met two strange men who asked where Mr. Rockefeller lived and taking spectacles from their pockets and trying them on, inquired if they made much difference in their appearance. They said the men later left for New York in a taxicab.

LONDON TIMES RADICAL SCOTS ASKS, "WHO IS TO SPRING COUP, FEEDING MAYOR?" RUMORS SAY

Believing Himself Near Death, MacSwiney Sends Out Statement to World

LONDON, Sept. 20.—Terence MacSwiney, lord mayor of Cork, had a bad night and was very weak this morning, according to a bulletin issued by the Irish Self-Determination League. The bulletin stated that Annie MacSwiney, mother of the lord mayor, had just left Brixton prison, where he today began the 29th day of his hunger strike, and declared his condition was unchanged except for the weakness incident to his long fast.

In his report to the home office, the physician at Brixton prison, reported that the lord mayor's condition was virtually unchanged.

Lord Mayor MacSwiney last night wrote a message to Irishmen throughout the world on behalf of himself and the hunger strikers in the Cork jail. After thanking them for their sympathy and prayers, the lord mayor said according to the London Times:

CALLS IT MURDER. "If this cold blooded murder is pushed through it will leave a stain on the name of England which has no hope of being ever effaced."

"We forgive all those who are compassing our death. This battle is being fought with clean hearts purely for our country. We have made our peace with God and bear it with toward men."

After invoking God's blessing upon all who prayed for the prisoners, MacSwiney concluded by saying:

"I believe God is watching over our country and by His divine decree, her resurrection is at hand. I believe this is her last battle for liberty and that God will crown it with complete victory."

Considerable talk was occasioned today by a paragraph appearing in the Sunday Times under the heading:

TIMES ASKS QUESTION. "Who Is Feeding Mr. MacSwiney?"

"Everybody is asking who is feeding him. There is no doubt at all that the government is not giving him food. Or any of the prison officials. It is suggested that his visitors, agents and relatives are giving him sufficient food to keep him alive."

Pointing out that Mr. MacSwiney and the Cork hunger strikers have virtually equalled Dr. Tanner's forty days fast, the newspaper asks how the first twelve men to be asked—Mayor MacSwiney and the eleven in Cork—when they tried to go without food could equal Dr. Tanner's record, which excited the wonder of the world.

In reply, Dr. O'Brien of the Irish Self-Determination League said tonight:

"No nourishment or food of any kind is being given to the lord mayor."

The fast of Dr. Henry S. Tanner which lasted 40 days was carried out under supervision of a New York medical college in the summer of 1889.

Dr. Tanner had previously abstained from food, one of his efforts, unofficially reported, covering 42 days. It was the doubt expressed regarding this achievement that impelled him to undergo his world-famous forty-day fast.

He was then 49 years of age and he lived to be 87.

Members of Church Consider Railroad Passenger Rates Too High Here

BRANCH CONFERENCE IN OGDEN, ONE PLAN

Apostle D. O. McKay Heads Committee to Investigate Present Situation

The high rates to be charged by the railroad companies to Weber county members who desire to attend the general conference of the latter-day saint church in Salt Lake in October, have raised a storm of protest among members of the church in this city. Unless the railroad companies will give further consideration to the matter and agree to lower the rates, one of two suggested plans may be put into effect.

The first plan is to assemble hundreds of automobiles for the purpose of conveying to Salt Lake during the conference days, many local members as can possibly be transported by that means.

The other suggestion is that the church authorities be appealed to for the purpose of giving sessions of the conference in Ogden so that local members of the church shall not be deprived of the spiritual benefits of the conference.

A committee has been appointed consisting of Apostle David O. McKay and one representative of each of the white local congregations. Further investigations into the matter.

This question was discussed yesterday afternoon at a special meeting of the priesthood of Ogden, North Weber and Weber stakes held in the Ogden tabernacle.

SHORTAGE IN PAYROLL OF NAVAL STATION BARED

CHICAGO, Sept. 20.—Irregularities aggregating \$6,000 have been discovered in the payroll at the Great Lakes naval training station by a special board of investigation sent from Washington, it became known Sunday.

Officials declared that the total may be more than \$7,500, as additional irregularities rapidly were being uncovered. Lieut. S. E. Sullivan, until three days ago in charge of the payroll, is being held under guard.

It is charged that hundreds of naval recruits at the station, only a few weeks were swindled out of pay through false receipts, the victims generally being at sea before they discovered that they were not receiving full pay. Captain Daniel W. Wurtbaugh, commandant at the station, refused to discuss the case other than to say that a shortage had been discovered.

J., Sept. 20.—Search has been started for the murderer of Mrs. Mary Trembowski, 66 years old, whose body, bearing marks of strangulation, was found near the grave of her son Edward, near here. The body was discovered by members of the family, who began a search when she failed to return from her customary Friday visit to the grave of her son, who was killed in France.

There was evidence of a struggle. The woman's clothing was torn and fingerprints were distinct upon the neck.

Rumors that the woman carried large sums of money are believed by the police to have prompted the attack. Her husband said these reports were untrue.

NATION LEAGUE VETS OF CIVIL WILL HANDLE WAR ASSEMBLE NEW DISPUTE IN CONVENTION

Poland and Lithuania to Leave Controversy in Hands of Council

PAITIS, Sept. 20.—Poland and Lithuania have agreed to suspend all hostilities, pending an inquiry and decision of the issues at stake by the council of the league of nations. It was announced here this morning.

The Polish-Lithuanian accord came after the council had adopted a resolution calling on the countries to cease hostilities immediately. The resolution asked Lithuania to adopt the provisional line of the frontier fixed by the supreme council in December last and withdraw her troops from the territory to the west of the line, while Poland was asked, during its war with soviet Russia, to respect the neutrality of the territory occupied by Lithuania east of the line of demarcation fixed by the supreme council.

Acceptance of the league's arbitration came in a most dramatic manner at the public meeting of the council today. Ignace Jan Paderewski, the Polish delegate to the league of nations, arose and made a stirring speech in which he said Poland desired to be in complete peace with Lithuania and had full confidence that Lithuania also desired peace.

MUCH CHEERING. The Lithuanian delegates, headed by Foreign Minister Woldemar, walked over to the Polish delegates and warmly shook hands with them amid cheering by the spectators and delegates, marking the first instance in which the league's mediation has been accepted by countries virtually in a state of war.

M. Woldemar said he had full confidence in the spirit of fairness of the council of the league and would abide by its decision.

ANOTHER SETTLEMENT. Finland also ironed out her difficulties with the council by accepting, with certain reservations, the report of the council on the Aland islands question, which calls for an investigation by three commissioners.

Definite transfer of the districts of Euphrates and Malindi to the soviet government of Belgium was recognized following an investigation of the protests filed by Germany against the plebiscites.

DEATH STRIKES SUDDENLY AT TORN CROSSING

Richard Saunders, 45. Father of Three is Accident Victim

HELD IN SIDE CAR BY HIS CARPENTER TOOLS

Companion Leaps to Safety When Engine Stalls Upon Tracks

Richard Saunders, 45 years of age, a carpenter, 323 Twenty-seventh street, was killed at 8 o'clock this morning when a Washington avenue street car crashed into the motorcycle and side car in which he was riding at the Thirtieth street crossing.

John Logan, 33 years of age, 2353 Monroe avenue, was operating the motor. He leaped to safety a few moments before the street car struck.

Saunders seems to have been trapped in the side car by the tools he was carrying on his lap. He was just ready to jump when the crash came. He was crushed to such an extent that death was instantaneous.

DRAGGED 30 FEET. The motorcycle and side car, together with Saunders, were rolled by the car for a distance of about 30 feet. When the street car halted, the man was beneath the tangled mass that was a motorcycle, with the front trucks of the street car pinning the wreckage to the ground.

Frank Salt, 271 Eighth street, who was in the forward end of the street car, said neither he nor the car nor the motorcycle was traveling at an excessive rate of speed.

STORY OF WITNESS. "I was just walking to the front of the car and saw the motorcycle turn," Salt stated. "When the motorcycle hit the railroad ties that made up the crossing, the machine stopped directly in front of the street car. The motorist rang the bell and sounded the whistle. One of the men, the one running the machine, jumped. The other seemed to be trying to get loose and was standing upright in the side car when the street car hit him."

The police were notified and the ambulance called. Sergeant A. M. Edwards directed the removal of the body.

CAR JACKED UP. Fully half an hour elapsed before the man and his car were extricated. It was necessary to jack up the car and the car truck to allow clearance.

Saunders' head and shoulders were beneath the motorcycle and after the street car had been lifted sufficiently to allow room, the motorcycle was pried up with levers and the body of the man removed from underneath.

J. L. Hoggan, 1838 Washington avenue, motorist of the street car, and R. Kunz, 329 Washington avenue, assisted in the removal of the body. Hoggan would make no statement regarding the accident.

C. T. Muller, an official of the Utah Rapid Transit company, stated that the street car had made every effort to stop. He said that the car had not been traveling at an excessive rate of speed.

Mr. Muller said that the car was 31 feet long and said it had not gone forward an entire inch after having hit the motorcycle.

LOGAN MUCH UPSET. Following the accident, Logan went to the police station. He was greatly upset. "We were going north on Washington avenue and turned at Thirtieth street, and the street car hit us," was his statement.

Passengers who were on the street car at the time of the accident were: Louis Guld, 520 Cook street; B. T. Burton, 267 Patterson avenue; Mrs. D. W. Shields; J. L. Moore, 420 Thirtieth street; Lorin Trapp, 2339 Monroe avenue; H. D. Van Sickle, Plain City; Frank Salt, 271 Eighth street.

Mr. Saunders was born in Colistown, March 1, 1875, the son of William G. and Amelia Bachelor Saunders. The widow, who was formerly Miss Laura May Flowers, and the following children, survive: Roy L. Laura C. and Ernest M. Saunders. Brothers and sisters surviving are: Mrs. Elizabeth Millard; Moulton, Ida; Heber C. Saunders; Reuben Saunders; Edward T. Saunders of Ogden; David Saunders, Moulton, Ida; and Mrs. Charlotte Byington, Hooper.

The body was removed to Lindquist's.
